Chipmunk

Wave tune, durag on I keep my wave smooth
She on a wave too, she a wave at me I wave too
Smooth young brudda, summer wearing colours
Fire over nuttin, puffin on my ganja
Who's having shots, take a double
Smooth nigga me no want no trouble
I'm like what's with all the violence
But the mandem got me if your wilin'
I know they don't want to see me smilin'
But I'm smilin' cuh I'm shinin'

DJ's haffi run it, it's a big tune
Sky windows down with my big zoot
Listen I ain't trying to make no diss tune
How they got me clashing when I'm this smooth

Man I'm just a young smooth nigga
Do this for my young smooth niggas
Grab a gyal and book a cruise with her
Sexy gyal they want to move with us
Cuh Man we just young smooth niggas
Do this for the young smooth niggas
Grab a gyal and book a cruise
Sexy gyal they want to move

Nigga's know I had it back in school
Even make my uniform this small
Tie slick, pradas for my shoes
Ask my nigga Rambo how we do
They hardly see me out I'm in the booth
Or I'm booking flights I'm on the move
I dunno why they all wanna be goons
Have you ever tried being smooth
Niggas dropping tunes I been listening
When I was doing Bashment they were listening
Maybe they just never had the visioning
One bag of bash might have my prisining

DJ's haffi run it, it's a big tune
Champagne popping with a big zoot
Listen I ain't trying to make no diss tune
How they got me clashing when I'm this smooth

Man I'm just a young smooth nigga
Do this for my young smooth niggas
Grab a gyal and book a cruise with her
Sexy gyal they want to move with us
Cuh Man we just young smooth niggas
Do this for the young smooth niggas
Grab a gyal and book a cruise
Sexy gyal they want to move

Man I'm just a young smooth nigga
Do this for my young smooth niggas
Grab a gyal and book a cruise with her
Sexy gyal they want to move with us
Cuh Man we just young smooth niggas

Do this for the young smooth niggas
Grab a gyal and book a cruise
Sexy gyal they want to move

Man I'm just a young smooth nigga
Do this for my young smooth niggas
Grab a gyal and book a cruise with her
Sexy gyal they want to move with us
