Swedish Rat

Chixdiggit!

You know I travel quite a bit
I've seen a couple of towns
And I notice a thing,
It's a hairdo we call the Rat
Mmmm-hmmm-hmmm

Now it depends on the scene and the part of town,
but I know you'll agree
that you'll like what you see
when you see the Rat
Uh-huh-huh

Now you're gonna wanna, gonna wanna, gonna wanna Rah-Rah-Rat

It's a Rah-Rah-Rat
High in the front, long in the sides in the back

It's a Rah-Rah-Rat
It's a Rah-Rah-Rat
And the tighter the jeans, the sweeter the cream

It's a Rat

Now I met a few girls who just got a Rat
Some people say that it is just hair,
but it puts it where
It's supposed to be
Uh-huh-huh

Now the younger girls that look up to you
wanna get one too,
by the time they do,
it will be old news
Whoa-whoa-whoa now

Now they're gonna wanna, gonna wanna, gonna wanna Rah-Rah-Rat

It's a Rah-Rah-Rat

High in the front, and long in the sides and the back
It's a Rah-Rah-Rat
It's a Rah-Rah-Rat
And the tighter the jeans, the sweeter the cream
It's a Rat

As tired, as the slip-ons, laying at the salons

It's a Rah-Rah-Rat
It's a Rah-Rah-Rat
High in the front, and long in the sides and in the back

It's a Rah-Rah-Rat
It's a Rah-Rah-Rat
And the tighter the jeans, the sweeter the cream

It's a Rah-Rah-Rat
It's a Rah-Rah-Rat

High in the front, long in the sides and the back

It's a Rah-Rah-Rat
It's a Rah-Rah-Rat
And the tighter the jeans, the sweeter the cream

It's a Rat

If I could live in a dream, I know what I'd want to see
It's a Rat
