

# Make Your Move

Chloe Adams

I've got a secret  
I need your help  
You know I never kiss and te-e-e-ell  
Keep it between us  
Can't keep it by myself  
And I know you like me

You missed a moment  
I got away  
So tell me how long will it ta-a-a-ake  
You've got to move it  
What do I have to say  
Just say you like me  
(Oh ooh, oh oh)

'Cause I won't tell ya, tell ya, tell ya  
That I've been falling, falling for ya  
You know that I won't wait forever  
Come on and ma-a-ake your move  
'Cause I want you too

Hey what's your number?  
I'll never call  
Those words just don't make any sense at a-all  
It's so frustating, the way you let me fall  
Just say you like me  
(Oh ooh, oh oh)

'Cause I won't tell ya, tell ya, tell ya  
That I've been falling, falling for ya  
You know that I won't wait forever  
Come on and ma-a-ake your move  
'Cause I want you too

Ma-a-ake your move  
'Cause I want you too

Don't hold back  
Come on and make your move  
Where we're at  
You've got to make your move  
You've got to make your move  
Ma-a-ake your move  
'Cause I want you too (Yeah)

'Cause I won't tell ya, tell ya, tell ya  
That I've been falling, falling for ya  
You know that I won't wait forever  
Come on and ma-a-ake your move  
'Cause I want you too

Ma-a-ake your move  
'Cause I want you too
