

I Wish I Could Tell You

Chloe Howl

I don't ever wear that dress; it's just collecting dust
I see the lighter that we shared; it's just begun to rust
I should've let you know but she was so much better
But if I let you know would that make you forget her?

I wish I could tell you but I just run and hide
I wish I could tell you but it's a thorn in my side
If I could find the words to say
Maybe this pain would go away
If I could find the words to say
We could move on, we could move on now

It gets a little hard to sleep knowing you were here
This other guy's good for me but you won't disappear
I lost my breath and stumbled over the idea of you
But it never caught up with the reality of what you do

I wish I could tell you but I just run and hide
I wish I could tell you but it's a thorn in my side
If I could find the words to say
Maybe this pain would go away
If I could find the words to say
We could move on, we could move on now

You're playing with my mind
I'm sick of hearing you pretending you care
But never going to apologize
I know you're lying through your teeth but you're swearing on y
our life
And there's no language that I know to make you understand I'm
letting you go

I wish I could tell you but I just run and hide
I wish I could tell you but it's a thorn in my side
If I could find the words to say
Maybe this pain would go away
If I could find the words to say
We could move on, we could move on now
(Move on, move on now)
I wish I could tell you
(Move on, move on now)
I wish I could tell you
(Move on, move on)
I wish I could tell you but I just move on, move on
