

abyss

chloe moriondo

Cross the line and I can't breathe
No use tryna tame the sea
I can't seem to find a remedy
Leave the past in the past
Keep it movin' fast, I just

Wanna dance (Wanna dance)
Wanna kiss (Wanna kiss)
Spinnin' 'round and around in the abyss
Wanna dance (Wanna dance)
Divin' in (Divin' in)
Spinnin' 'round and around in the abyss

I don't need devotion
Stay away from emotion
Follow me to the ocean blue
Caught up in the moment
Take me where this is goin'
Swimmin' in the abyss with you
Ooh, ooh, ooh

And I'll leave the party
Gotta let you know
That I'm never sorry
That's the way it goes
Reel it in and let it go
Caught up in the undertow
I, I

Wanna dance (Wanna dance)
Wanna kiss (Wanna kiss)
Spinnin' 'round and around in the abyss
Wanna dance (Wanna dance)
Divin' in (Divin' in)
Spinnin' 'round and around in the abyss

I don't need devotion
Stay away from emotion
Follow me to the ocean blue
Caught up in the moment
Take me where this is goin'
Swimmin' in the abyss with you

Ooh, ooh, ooh
Ooh, ooh, ooh
