

Bodybag

chloe moriondo

I don't know where exactly you expect my head to go
When you look at me, it's like I lose control
You know that you're to blame when you say my name
When you say my name, yeah

Look at you, walking all around just acting like you do
Making everyone think you don't have a clue
But I can see it, yeah, I know your secret

Don't know if I hate you or if I wanna date you
Put you in a bodybag instead of my bed
I don't wanna like you, I just wanna tie you up
Then keep you in cage and watch you sleep for ages

I wanna keep you in cage and watch you sleep for ages
I wanna keep you in cage and watch you sleep for ages

Feels like I'm gonna D-I-E whenever you get close to me
It's way too hot in Michigan, I'm changing the subject again
My heart is melting and my hands are weak

I could cry when I hear you speak but that just makes me angry
Wanna kiss you on your cheeks but I also wanna punch your teeth
I just don't get it, I just don't know

Don't know if I hate you or if I wanna date you
Put you in a bodybag instead of my bed
I don't wanna like you, I just wanna tie you up
And keep you in cage and watch you sleep for ages

I wanna keep you in cage and watch you sleep for ages
