

hate it

chloe moriondo

Look at you through a screen
I don't know what I mean when I say
That I want your face, I'd
Maybe wear it to bed
Or slip it over my head and rob a bank
I don't know why

I'm so crazy
Lately, I'm not satisfied
And nothing can save me
Or change me, my hands are tied

Everybody wants you, I don't blame them
Everybody wants to be your favorite
Wanna wear your body and trade places
Everybody loves you, and I hate it

But I can't let you go
No, I can't let you go

And I like it even though it hurts
I swim in lava, wanna feel the burn
Want you to feel like me now
Slowly dying but alive somehow

I'm so crazy
Lately, I'm not satisfied
And nothing can save me
Or change me, my hands are tied

Everybody wants you, I don't blame them
Everybody wants to be your favorite
Wanna wear your body and trade places
Everybody loves you, and I hate it

But I can't let you go
No, I can't let you go

Everybody wants you, I don't blame them
Everybody wants to be your favorite
Wanna wear your body and trade places
Everybody loves you, and I hate it

But I can't let you go
No, I can't let you go
