

# Hell Hounds

chloe moriondo

Hm, hm-mm

Told you not to look my way  
To try and act your age  
Eyes down on the pavement  
Now, you're gonna have to pay  
This happens every day  
You don't wanna see my basement

You're tall, but  
In my boots, I'm taller  
And I think you'd look better in a collar  
You're tall, but  
In my boots, I'm taller  
And I think you'd look better in a collar

Hell hounds  
Yeah, they'll put you in the dog pound  
No, you shouldn't mess around  
'Cause they're gonna (Arf, arf, arf, arf)  
Hell hounds  
Baby, yeah, they'll put you underground  
Yeah, they'll get you hell-bound  
Make you wanna  
(Arf, arf)

That's right, I'll tie you on a leash  
And make you bite on a bone  
All night, you'll crawl at my feet  
Or I'll make you wear a fucking cone, 'cause  
I-I, I-I, I-I, I  
Can't say goodbye, bye-bye, bye-bye, bye, bye, yeah

You're tall, but  
In my boots, I'm taller  
And I think you'd look better in a collar  
You're tall, but  
In my boots, I'm taller  
And I think you'd look better in a collar

Hell hounds  
Yeah, they'll put you in the dog pound  
No, you shouldn't mess around  
'Cause they're gonna (Arf, arf, arf, arf)  
Hell hounds  
Baby, yeah, they'll put you underground  
Yeah, they'll get you hell-bound  
Make you wanna  
(Arf, arf, arf, arf)

I-In a collar  
Oh, wait, shit  
Sorry, I forgot it  
Ah-ah  
Nevermind, do it again
