

pond

chloe moriondo

I found my heart belonged to you and only you
And now I'm not sure what to do with it
Pulled apart, my wings are frayed and if you'd stayed
I'm certain I'd be worse than this

It makes me cry to imagine that you'd like this song
If it were about anyone else
I've been waiting at the pond, but it's been too long
And I'm scared that I can't love somebody else
I feel lonely, like you're the only
Person I hear in the back of my mind
I've been waiting at the pond, but it's been too long
And I'm scared that I can't love somebody else

Tossing stones and watching 'em sink
I think I lost myself
All I know gone in a blink
I think I lost myself
Dive below, caught in the blue
I think I lost myself
Spinning slow, remembering you
I think I lost myself

It makes me cry to imagine that you'd like this song
If it were about anyone else
I've been waiting at the pond, but it's been too long
And I'm scared that I can't love somebody else
I feel lonely, like you're the only
Person I hear in the back of my mind
I've been waiting at the pond, but it's been too long
And I'm scared that I can't love somebody else

Tossing stones and watching them sink
I think I lost myself
All I know gone in a blink
I think I lost myself

It makes me cry to imagine that you'd like this song
If it were about anyone else
I've been waiting at the pond, but it's been too long
And I'm scared that I can't love somebody else
I feel lonely, like you're the only
Person I hear in the back of my mind
I've been waiting at the pond, but it's been too long
And I'm scared that I can't love somebody else
