chloe moriondo

Lights down low
I know you want a private show, oh
I see you watchin' me
I'ma drop it low in 3 like 1,2,3

Got the boots with the fur, drippin' ice like burr
Better call your chauffeur, want my kitty make it purr
Want my kitty make it purr, want my kitty make it purr
Want my kitty make it purr, want my kitty make it

If you wanna love me, gotta know it's not free
Big celebrity, baby I'm a popstar
Piece of me like Britney, get Christina dirty
Big celebrity, baby I'm a popstar

Popstar, popstar, popstar, popstar
Popstar, popstar, popstar
Popstar, popstar, popstar, popstar
Popstar, popstar, popstar

In your dreams
I'ma get you on your knees, oh
I'll get ya beggin' please
And put you on like you're designer jeans, oh

Got the boots with the fur, drippin' ice like burr
Better call your chauffeur, want my kitty make it purr
Want my kitty make it purr, want my kitty make it purr
Want my kitty make it purr, want my kitty make it P P PPPURR
