This year has done a lot to me  
And so did the last one  
But I'm better than I thought I'd be  
So it's good in the long run

Wishbone, exposed  
Going where the tide goes  
I know it gets so cold and overflows  
I'll keep my eyes wide 'cause I'm so

Raw, so slick, you could lick it from my wrists like  
Raw, you can taste from the very first kiss, I'm  
Raw, pick up my pieces, I am  
Raw, so raw, I am  
Raw, so slick, you could lick it from my wrists like  
Raw, dive deep underneath the surface  
Raw, pick up my pieces, I am  
Raw, so raw, I am

Being so rough, I just can't get behind it  
And my outside is tough, but I can't keep me inside it  
And I love being soft, hate when I try to hide it  
Is the water ever warm? Am I ever gonna like it?

Wishbone, exposed  
Going where the tide goes  
I know it gets so cold and overflows  
I'll keep my eyes wide 'cause I'm so

Raw, so slick, you could lick it from my wrists like  
Raw, you can taste from the very first kiss, I'm  
Raw, pick up my pieces, I am
