chloe moriondo

Baby I'm a trophy  
Gotta win to hold me  
I know that you know me  
Cause baby I'm a trophy  
Baby I'm a

Don't call me back I changed my mind  
I'm moving up, I'm doin' fine  
(I'm okay! I'm cool!)  
Got sick of waiting all the time  
Read the messages, yeah I seen the signs  
I don't care anymore  
I like my life

Yes I wear lashes to the airport  
Fuck it up like sully on the scare floor  
Bubblgum dumb boys wishin' that I cared more  
Get smart whatcha waitin' for

Baby I'm a trophy  
Gotta win to hold me  
I know that you know me  
Cause baby I'm a trophy  
Baby I'm a trophy (gonna key your car)  
Gotta win to hold me (bet you won't go far)  
I know that you know me (with a keyed fucking car)  
Cause baby I'm a trophy  
Baby I'm a

Fuck it up like sully on the scare floor

I'm back and I'm worse!  
Cute bald bitch tiny ears on you like a curse  
Boy you so nervous  
Don't be shy now just show me you deserve it  
I know you want the limelight  
Get up in a fist fight, hurt like a dog bite  
And with me you'd be alright  
But I guess I'm shining too bright get you outta my sight

Yes I wear lashes to the airport  
Fuck it up like sully on the scare floor  
Bubblgum dumb boys wishin' that I cared more  
Get smart whatcha waitin' for
