What do they have to do with love?

You are like the snow
I miss you whenever I don't get you
And I want you so
You follow me wherever I go

Too many times I've been here like this
And I'm so tired of playing stupid
Every time it's a swing and miss

But you look at me and I'm weak
You look at me and I freeze
Whenever you want me
I'll never let you go
I thought I would let you know
You make me so weak
You look at me and I freeze
Whenever you want me
I'll never let you go
I thought I would let you know

I can't wrap my head around you
I don't know what to do about you
It's cold in a way, but I kinda like the pain
And I know that I'll give in to you no matter what you say

Too many times I've been here like this
And I'm so tired of playing stupid
Wear my heart on your fingertips

But you look at me and I'm weak
You look at me and I freeze
Whenever you want me
I'll never let you go
I thought I would let you know
You make me so weak
You look at me and I freeze
Whenever you want me
I'll never let you go
I thought I would let you know

Oh, Jack, that sounds like loads of fun
See you tonight, goodbye
Guess what, Mother
Jack and I are going on a double date with Jack's brother
Oh, I was just thinking that they might help you to understand
How your capacity for love grows and develops
Just as you'll grow and develop, here

You look at me and I'm weak
You look at me and I freeze
Whenever you want me
I could be on the phone
But I'll never let you go
You make me so weak
You look at me and I freeze

Whenever you want me
I could be on the phone
But I'll never let you go
