Know I got you hooked real bad
Why you lookin' at me like that?

Just tell me what you want, and I'll give it to you
Just tell me what you need, I'll fulfill it for you
I make it feel so nice, make it last your whole life, oh
You can let it go in the bedroom, babe

Making love up, all up on the phone, and

You know I'm the one and I'm the bestest
Give you all the love, but can you handle it?

I just wanna be the one you trust
Baby, I just wanna be the one you love, and need, and need, and need
Wanna be the one you love, can I be the only one? (Can I?)
Wanna be the one you love, can I be the only one? (Can I be the only one?)
Wanna be the one you love
Can I be the one you love, and need, and need, and need? (Baby, baby, baby)
