

Hidin

Chlöe

Stop hidin'
What you gotta lose with me?
Don't fight it
Drop all of your hoes for me
Don't deny it
We got all of the chemistry
Stop hidin'
'Cause I just wanna love you, please

If you keep it up, you gon' lose my love, I won't always be there for you
My patience runnin' thin, I'm tryna understand why you stay hesitatin'
Know I got one too many niggas in my phone
I wanted you to grow and I'm feelin' alone
And I'm tired of waitin' on you when I could be through
All I do is cater to you, on eggshells with you

But you're the one I want
And I try, keep tryin' to move on
When you gon' come around?
The only time is now
I just wanna know

Stop hidin'
What you gotta lose with me?
Don't fight it
Drop all of your hoes for me
Don't deny it
We got all of the chemistry
Stop hidin'
'Cause I just wanna love you, please

Stop hidin'
Ple-e-ease, ple-e-ease
Don't fight it
Ple-e-ease (Fight it), ple-e-ease

I'm more than what your Lia, Mia, Khia, girl combined
I'm ended up and always fitted baby, I'm a dime
And I just got that Gucci, Gucci, Gucci all the time
I'll elevate your status, you know I can help you fly
Yeah, I just want someone, someone I can come home
No, I can't lie no more, I want you for my own
I don't wanna share you, baby (I don't wanna share you, baby)
Got me here, I'm goin' crazy

Stop hidin'
What you gotta lose with me? (What you gotta lose wit' me?)
Don't fight it (Don't fight it, yeah)
Drop all of your hoes for me (Drop all of your hoes for me)
Don't deny it (No denyin')
We got all of the chemistry (I know you feel it, baby)
Stop hidin', oh, oh
'Cause I just wanna love you, please (I just wanna love you, please)

Stop hidin'
Ple-e-ease, ple-e-ease (I just wanna love you, please)
Don't fight it

Ple-e-ease (Yeah, I just wanna love you, please), ple-e-ease
You're all I'm asking for, baby (Don't fight it, baby)
Oh, oh (No hidin')
Think about it, think about it
I just wanna love you, please
