I Don't Mind

Chlöe

Boy, you still in love
Boy, you sick in love

I know sometimes that you feel you want us back, I know
But boy, it's okay, don't be emotional
You're back in my bed and we're goin' for hours
I'm all in your head

Knowin' me, usually, baby, you know that I do
You know that I care it back with you, it's not what I want
Begging for physically, mental, I'm not yours anymore
You keepin' me, come back and then you back up, I done leavin' no more

Boy, you're still in love
Droppin' all your hoes for this
Droppin' all your hoes for it
Oh, boy, you're still in love
A word is a reason
A word is a reason
I don't mind, no

Like feeling's cold but then I come around
I hear you say you don't wanna finish now
So excited when I lay you down
The power that you give me, baby boy, that you give me

No, no, when you're not down
I can see you with another love
No, no, you are not mine
I don't really want you but you're too damn fine
No, no, bring it all down
You know one is one, it's always your stuff now
Begging for physically, mental, I'm not yours anymore

Boy, you're still in love
Droppin' all your hoes for this
Droppin' all your hoes for it
Oh, boy, you're still in love (La-la-la-la-la-la-la)
A word is a reason
A word is a reason (Reason)

All your hoes

Oh, boy, you're still in love
Droppin' all your hoes for this
Droppin' all your hoes for it
Oh, boy, you're still in love
A word is a reason
A word is a reason (Ah)

I don't mind (Mind)
I don't mind (Ooh)
I don't mind
I don't mind (Don't mind)
Da-da-da-da-da
Yeah, I don't mind
Da-da-da-da-da

Uh, I don't mind
Da-da-da-da-da
