

Worried

Chlöe

I'm not worried, worried, worried, worried
I'm not worried
Metro
Why you worried? Why you worried?
Why you worried? Why you worried? Ooh
I'ma love me better at the end of the night

I think it's funny, funny how you fall up for me
Check up on it, give me yo' money, money
And watch me run it up
You actin' funny, funny, is like you love me, love me
You talkin' big in public, but is you big enough?
You give me all the tension, but what 'bout all them bitches
Might find a reason [?] you ain't a man to hold
Stop gettin' so offended, you hear, but you don't listen
My favorite part 'bout business is when you mind your own

Do you worry 'bout me? Worried
I'm not worried, you not worthy
Oh, you hurt me, don't desert me
'Cause I'ma love me better at the end of the night
Why you worried? (You worried) Don't be worried (You worried)
I'm not worried (Not worried), you not worthy (Not worthy)
Oh, you hurt me (You hurt me), don't desert me (Desert me)
'Cause I'ma love me better at the end of the night

I've been busy, why can't you hit me, you selfish
'Cause you know I stick up and ride like that
Specially when you lock in, you actin' real hurtin'
Just tryna feel somethin', I don't would like that
One time in your lifetime, go swallow your pride
This year, it been bad, I'm just tryin' to live life
If you spend all the time you spend on me on yourself
Then you'll get peace of mind, you could be somebody else

I'm over here, doin' so well
So, so (So)

Why you worried 'bout me? Worried
I'm not worried, you not worthy
Oh, you hurt me, don't desert me
'Cause I'ma love me better at the end of the night (Oh)
Why you worried? (You worried) Don't be worried (You worried)
I'm not worried (Not worried), you not worthy (Not worthy)
Oh, you hurt me (You hurt me), don't desert me (Desert me)
'Cause I'ma love me better at the end of the night

No, don't disturb me, baby
(I'ma love me better at the end of the night)
I love me better, I love me better than you ever did (Oh)
I love me better than you ever did (Oh)
Oh, know I'ma love me better at the end of the night
