

Lulla-Bye

Chloe x Halle

It's never quite easy
To say goodbye and let go
But I promise there will be
A new tomorrow
So as the day falls
And the night rise
Help me sing you to sleep
With this lullaby

[Both:]

Lullaby, lullaby, I, hi, I, hi, I, hi
Lullaby, lullaby, hi, hi, I, hi, I, hi
Lullaby, lullaby, hi, hi, I, hi, I, hi
Lulla, lulla, bye
Lulla, lulla, bye

Oooh, ahh, ooh
Oooh, ahh, ooh
Oooh, ahh, ooh
Oooh, ahh, ooh
