

Mistake

Chloe x Halle

I make mistakes
More than I count on my fingers
We good today
Then the wrong things come and linger
Forgive and forget
But some things I just remember
I know I make mistakes
But I learn and then it's over (oh oh)
(Oo oo oo oo oo oo-ah)
(Oo oo oo oo oo oo-ah)

That's why pencil come with eraser
(Pencil come with eraser)
Pencil come with eraser
We don't have to be paper tracers
Cause pencil come with eraser

(Gone Gone)
It's gone, gone, gone, gone
It's gone, gone, gone, gone
It's gone, gone, gone, gone
(Bye bye bye bye bye bye bye bye)
Gone, Gone, Gone (gone)

I'll see you later
See you later
See you later
Later-Later-Later-Later-Later
See you later (gone, gone)
It's gone, gone, gone
Gone, gone, gone, gone (gone)
Gone, gone, gone
(Bye bye bye bye bye bye bye bye)
(Gone)
