

# Warrior

Chloe x Halle

Oh my darling I've been missing you for quite some time  
So I'm gonna lift the oceans, just to see your eyes

I could be a warrior, yes I am a warrior  
There's no need to worry love  
Look around it's glorious  
Close your eyes and taste the sun

You know where to find me  
(You know where to find!)

Oh my darling I am getting closer, hold on tight  
And I, know it hasn't been so easy  
I'm fighting for my life

I could be a warrior, yes I am a warrior  
There's no need to worry love  
Look around it's glorious  
Close your eyes and taste the sun

You know where to find me  
(I know where to find!)

And I know where to find you

Inside side the light!  
Inside side the light!  
Inside I'm alive  
Inside side the light!  
Inside side the light!  
Inside side the light!  
Inside I'm alive  
Inside side the light!  
Inside side the light!

Almost there overcome my fear  
I'll save the light in our lives  
Just look deep inside to find you and I  
Like stars in the sky will brighten the light

You know where to find me  
(I know where to find!)

I know where to find you

Inside side the light!  
Inside side the light!  
Inside I'm alive  
Inside side the light!  
Inside side the light!  
Inside side the light!  
Inside I'm alive  
Inside side the light!  
Inside side the light!

I could be a warrior, yes I am a warrior  
There's no need to worry love  
Look around it's glorious  
Close your eyes and taste the sun

You know where to find me  
And I know where to find you
