

Major Threat

chokecherry

Give it to me straight
I'm your fucking weight
Give it to me straight
I could bite my tongue
Feeling paranoid
Give it to me straight

Woah, oh, oh oh
Woah, oh, oh oh

Give it to me straight
Out my fucking way
Give it to me straight
I could bite my tongue
Feeling paranoid
Give it to me straight

Woah, oh, oh oh
Woah, oh, oh oh
Woah, oh, oh oh
Woah, oh, oh oh

Thought he was a friend of mine
Thought he was a friend of mine
Bob was a friend of mine
Bob was a friend of mine

Woah, oh, oh oh
Woah, oh, oh oh
Woah, oh, oh oh
Woah, oh, oh oh

Cut me (Cut me open)
Sweetly (Make it hurt)
Leave me (Leave me stranded)
Why don't you just fucking kill me?
