

Acres of gradient, mood above  
Push myself through, over hillside views  
Oak tree fading fonts on the back of my hoodie (Ooh, yeah)  
I would've rescued you if you needed me to  
But you don't, no you don't

I'm leavin' like the green on the cedar, the Santa María  
I'll see you when I see you  
And don't you forget Amy and Lisa, Tomita, Aaliyah  
I'll see you when I see you around  
I'm leavin' like the green on the cedar, the Santa María  
I'll see you when I see you  
And don't you forget Amy and Lisa, Tomita, Aaliyah  
I'll see you when I see you around

All my heroes soft-spoken  
All my stars shine white leaf  
All my crushes share lotion  
All my dreams end mighty  
Never punch first but you end it  
Webpage, old news minimize  
Heather gray shirt, see the sweat drip  
Hell yeah it hurt when I realized  
You don't miss me, you don't miss me, you don't miss me  
And you're not stressin', your skin clear as ever  
Feels good to be home but I wish it was  
I wish it was somewhere else  
Anywhere but, anywhere but, anywhere but here

I'm leavin' like the green on the cedar, the Santa María  
I'll see you when I see you  
And don't you forget Amy and Lisa, Tomita, Aaliyah  
I'll see you when I see you around  
I'm leavin' like the green on the cedar, the Santa María  
I'll see you when I see you  
And don't you forget Amy and Lisa, Tomita, Aaliyah  
I'll see you when I see you around

The green on the cedar, the Santa María  
All day, all day  
Aaliyah, Tomita, Amy and Lisa  
All day, all day  
The green on the cedar, the Santa María  
All day, all day  
Aaliyah, Tomita, Amy and Lisa  
All day, all day
