

Lily

Choker

Dreamer, dreamer
Dreamer, oh, oh
If you comin'' with me, with me, oh, oh
If you comin' with me, with me, oh, oh

Take a little sugar off the sweet (Ooh-hoo, ooh-hoo)
And they gon' have to tech a nigga up
Like I'm Latrell Sprewell, Sprewell, yeah, uh
I don't know what I'll do about you, 'bout you
Now my baby's startin' to cry 'cause I don't know how to change
it

All outside (All outside)
All I got
All outside (All outside)
All I got

Cotton ball roads in the sky
Follow big wings, follow the droid ones
Tangerines bleed lily white
Follow caution follow the big night
Some words recorded on my lid
Can't give you change if your hands are over brim
Won't be no change if we can't spend
We can't spend, we can't spend

You, ahh
You, ahh
You
You
You, yeah

All outside (All outside)
All I got
All outside (All outside)
All I got
All outside (All outside)
All I got
All outside (All outside)
All I got
