Choker

I never been to El Segundo  
I got a spot in Lord's Town  
I see the damage when he goes low  
You never like the way your hair turns out  
Pink and blue  
Everlasting doubt  
Jawbreaker  
Girl, the world's quick to frown  
I left a stain  
Bones built for [?]  
Imitate my sound  
You never been so loud

Special one  
Rise by the dive beam  
My coastal sun  
Run, run, run  
As fast as you can  
Special one  
Rise by the dive beam  
My coastal sun  
Run, run, run  
As fast as you can
