Sunflower

Choker

Have you ever been in love?
Yeah
Was it good or bad?
Awfully painful
Terrifying

Pour the sun on my tongue
Your tone is clear
It shakes me
Lately I can't find what I'm looking for
Gentle temple
Soft and new
Your goosebumps calm my nerves
It soothes me
Abusing my youth
Sunflowers hugging my tennis shoes
I wanna help you feel safe
While we can
Is a life unexplored worth clean hands?
(Something's ought to land)

Because I always feel like running

All of my use
Least I can do
Leaving so soon
Least I got you
Least I got you
(Feeling something right)

Zoom zoom
Yes I
Yes I
Yes I
Swoop swoop
Yes I
Yes I
Yes I
Zoom zoom
Yes I
Yes I
Yes I
Shout out mojo

Epoxy ultraviolet
Yaschica T4
Safari Zenith
My lips are sealed
A captured concern
The highs feel lower than ever before
Been a while since I knew what to do
Been a while since I felt something new

We took the long way
Just to let the song play
We took the long way
Just to let the song play

We took the long way
Just to let the song play
We took the long way

My niggas get me
They understand
And they don't judge me
Unless I'm being an ass
Then they put in my place
They set me straight
My niggas get me
They understand
Cutting shapes
Throwing shapes
Cutting shapes
Throwing shapes
Gushing all in sync
Match up like Mase
Tenfold tenfold
Ben 10 my mode
Shojo no beat
Rojo my code
Dew dry on Grass
Stay on my toes
I stay on my toes
Stay on my toes
Stay on my toes
