

## Vandross

Choker

Yeah yeah  
Yes yes, yes

I miss stealing candy from the school store  
We were flipping for pennies  
I miss drawing black Dragon Ball Z fighters  
'Cause they didn't have any  
I miss trading shoes in the courtyard  
Without the box  
I miss taco night at Brendan's house  
We'd scraped the pot  
I miss dancing with my mama to Luther Vandross in the candlelight  
I miss recording Shaman King on VHS so I could re-watch fights  
Now I'm spent  
I just wanna sleep  
I forgot to eat today  
The most is the product of the least

Yeah-ah-ah-ah  
Wah-ah-oo  
Yeah-oo-oo
