

## Can't Wait

Chon

Trying to find, you left me lost  
I just want you home now  
Though, I'll see you again but  
I can't wait forever

I can't wait, I can't wait  
I can't wait anymore, baby!  
I can't wait, I can't wait  
I can't wait anymore

I wish you were still here  
Not just on my mind  
Though I'll see you again but  
I can't wait forever

Ooooooh  
Ooooooh

Trying to find, you left me lost  
I just want you home now
