I think I'm here
But I believe
That I am on the other side
I see myself
In a different light

You'll never know
Know what's real
Until then
Ooh

I think I'm here
But I believe
That I am on the other side
I see myself
In a different light

Ooh. ooh. ooh. ooh
Ooh. ooh. ooh. ooh

I think I'm here
But I believe
That I am on the other side
I see myself
In a different light

I think I'm here (I think I'm here!)
But I believe (But I believe!)
That I am on the other side
I see myself
In a different light
