

# Canyons

Chris August

Mountains and valleys  
The ups and the downs I go through  
I will rejoice in You, Jesus  
No matter the view

So I'm singing out  
From the depths of my heart  
I'm singing out  
At the top of my lungs

I'm in love with You  
'Cause canyons will echo my voice  
Screaming Hallelujah  
Oh, what a beautiful noise

Glory to God in the highest  
From down here below  
Jesus my Savior, Your name  
Is the sound of my hope

So I'm singing out  
From the depths of my heart  
I'm singing out  
At the top of my lungs, lifting You high

I'm in love with You  
'Cause canyons will echo my voice  
Screaming Hallelujah  
Oh, what a beautiful noise

The sound of Your name  
I long to hear  
It's music to my ears  
I'm in love with You

'Cause canyons will echo my voice  
Screaming Halle, Hallelujah

I'm in love with You  
'Cause canyons will echo my voice  
Screaming Hallelujah

Oh, I'm in love with You  
'Cause canyons will echo my voice  
Screaming Hallelujah  
Oh, what a beautiful noise  
Oh, what a beautiful noise

What a beautiful noise  
What a beautiful noise
