

God Whispered Your Name

Chris August

I was so cold and lost
And nothing seemed to ring true
I couldn't bear the cross
For everything I'd been through
And each day, I knew I needed change
But there was no way, no way

And then God whispered your name
And that's when everything changed
And love came out of the rain
And talk about being saved
Suddenly I wanna live
More than I ever did
I'm never gonna be the same
When God whispered your name

I can see the sunshine
For the first time in a while
Girl, it's like I've been baptized
By the warmth of your smile
Call it fate or faith or call it crazy either way
It's amazin', amazin' grace

When God whispered your name
That's when everything changed
Love came out of the rain
Talk about being saved
Suddenly I wanna live
More than I ever did
I'm never gonna be the same
When God whispered your name

Was just what I needed to hear, baby
Could not have been more loud and clear

When God whispered your name
That's when everything changed
Love came out of the rain (Out of the rain)
And talk about being saved
Suddenly I wanna live
More than I ever did
I'm never gonna be the same
When God whispered your name, oh yeah

(Hallelujah, Hallelujah, Hallelujah)
Ooh God
(Hallelujah, Hallelujah, Hallelujah)
