

Just the Same

Chris August

Who doesn't have a list of regrets
Sins that I wish that I could forget
I've repented for plenty that I would give anything to do over
But in every mistake, there's a lesson to be learned
Favor is favor, it's not something I've earned
Just wanna be like You and each day I'm getting closer

You give me grace to cover everything I've done and I will do
You take my heart and with Your mercies every day, You make it
new
You take the good and the bad, when I'm happy or sad
My mistakes of yesterday
And You love me just the same

I know that the cross is not an excuse
To live how I want then confess it to You
I've tried and I'm trying my hardest to do it right, oh

Oh, You give me grace to cover everything I've done and I will
do
You take my heart and with Your mercies every day, You make it
new
You take the good and the bad, when I'm happy or sad
My mistakes of yesterday
And You love me just the same

Your love doesn't change
It's not here then away
You don't leave when I am wrong
The cross paid the fall
Not some, but it all
You've been here all along
Now I'm right where I belong

You give me grace to cover everything I've done and I will do
You take my heart and with Your mercies every day, You make it
new
You take the good and the bad, when I'm happy or sad
My mistakes of yesterday
And You love me just the same
You love me just the same
You love me just the same
