

# You Make Me Sing

Chris August

There's something about you  
Some kind of altitude  
You're better  
So I'm likely  
To write this song for you

You make me sing  
Wooooo ooo  
Wooo oo  
You make me sing my song  
Laaaaaa aa  
Laaaaaa aa  
Yaaaaaaaaaaaah yeah yeah

I'm starting to believe there's someone made for me  
Created, anticipated, in hopes that you agree  
Cause

You make me sing (you make me sing)  
Wooooo ooo  
Wooooo ooo  
You make me sing my song  
Laaaaaaaaaa aa  
Laaaaa di da  
Yaaaah

Like a shooting star  
I wish for you  
Blow out the candles  
Your dream come true  
Threw a penny in a fountain  
Then you appeared  
Must be love

You make me sing  
You make me want to sing  
Yeah  
You make me sing my song  
Laaaa aaaaaaaaaaaaaaaaaah  
You make me sing  
Wooo ooo  
Wooo ooo  
You make me sing my song
