

3AM

Chris Brown

Hol' up

Oh, it's 2:30 AM, yeah, I said I know (I know)
All that's on my mind when I'm all alone
Comin' home to you (To you)
All I wanna do (I do)
Is lay up with you, babe
No, no, no, babe
Wait, slow it down, down
I need you right now, now
I'm doin' like 105 (Woo)
So baby, keep the door unlocked (Woo)
Wait, slow it down, down (Yeah)
You know I know every spot
Makin' sure I drive you ready

Ride me all night, night
Make you feel so good
If I swing by, swing by
All the things we would do

Baby, won't you let me swing by?
Got me on this 3-AM drive
Wanna be with you all night
So I pull up like skrrt, I pull up like skrrt (I pull up like skrrt)
Pull up like skrrt, oh yeah-yeah

Got me on this 3-AM drive, hey-hey-hey
Got me on this 3-AM drive

I pull up like skrrt
Take off my shirt, lift up her skirt
Then I go on down
It's what you prefer, it's what you deserve, yeah
Ooh, you hotter than summer
Screams louder than the thunder
Stamina like a marathon runner, yeah, yeah
Said you need a real one, real one
Well, you got a real one, yeah, yeah, yeah
Rev the engine up
Baby, make you growl
Once I pull up, once I pull up
You know what's up
Can't get enough, not gassin' you up

Baby, I'ma let you drive, drive
Make you feel so good
If I swing by, swing by
All the things we would do (Ooh)

Baby, won't you let me swing by?
Got me on this 3-AM drive (Up all night)
Wanna be with you all night (You)
So I pull up like skrrt, I pull up like skrrt (Yeah)
Pull up like skrrt, oh yeah-yeah (Ow!)

Girl, you know I put you first

Been through the worst
Hurt your feelings
Now I'ma listen, I'ma let it sink in
And the Lord as my witness, I'ma start facin' my fears
With this heartbreak, yeah
Oh, no
Never thought, never thought I'll ever grow, oh-oh-oh
And I love it when you give it to me, nice and slow
Already said I'm sorry, said my bad
And it troubles me not to think about the past

Baby, won't you let me swing by?
Got me on this 3-AM drive
Wanna be with you all night (You)
So I pull up like skrrt, I pull up like skrrt (I pull up like skrrt)
Pull up like skrrt, oh yeah-yeah
