

## Back 2 Back

Chris Brown

Hey You Reached Jessica  
I'm Not In Right Now  
But If You Leave a Message  
I'll Call You Right Back

Baby,  
I Called You Three Times, I Left Text Messages,  
Emails...  
I Mean What I Gotta Do To Get To You...  
I Mean It's Like...  
What's So Important You Can't Pick Up The Phone...  
I Mean Come On...  
I Can't Deal With It...  
Call Me Back...

Lately  
More and More I Been Feelin Some Kind Of Way  
And I Ain't Crazy  
I Know You Got Those Texts From Me  
(Got 'Em From Me, whoaa)  
But It's This Thing  
That We Been Goin Through  
Is Somethin Wrong With You? (With You)  
All It's Doing Is Makin Me Remember  
How We Called It Quits  
Girl I'm Too Young For This  
When You...

When You Turned Away From Me  
Makes Me Think That I Should Jus Leave  
Go Back To Bein The Same Ol G  
Girl I Don't Wanna Lay Here Back To Back  
Oh I...  
Don't Want You Mad At Me  
Snatchin The Covers  
Actin Like You're Asleep  
When You Know You're Up, nooo  
Girl I Don't Wanna Lay Here Back To Back

All Night Long  
I Find Myself Tryna Get Away  
And That Ain't Right, nooo  
Lookin Through My Phone  
Tryna Remember Her Name  
That Would Only Make It Worse  
We Try To Talk Through Our Problems  
But It Takes More Than Words  
Said It Don't Even Bother Me  
But I Swear It Hurts  
When I Said I Didn't Wanna Go Through The Same Shit  
This Is What I Meant, ohhh...

When You Turned Away From Me  
Makes Me Think That I Should Jus Leave  
Go Back To Bein The Same Ol G  
Girl I Don't Wanna Lay Here Back To Back  
Oh I...

Don't Want You Mad At Me  
Snatchin The Covers  
Actin Like You're Asleep  
When You Know You're Up, nooo  
Girl I Don't Wanna Lay Here, Back To Back

I Thought About It, Got My Bags Now I'm Bout' To Roll  
You Standing There Screaming  
(Please Don't Go)  
Too Late (No Excuses)  
I Swear I Can't (Do This)  
Don't Wanna Go Through This No More (No More)  
Now I Know What It Means To Really Have It (Bad)  
But I'm Laying This Bed And Looking At Your (Back)  
(Your Back Yeah)  
Ohh Girl (Oh Girl)  
That You Gon' Make Me Believe  
That You Gon' Change For Me (Oooohhh)

When You Turned Away From Me  
Makes Me Think That I Should Jus Leave (Just Leave Ohhh)  
Go Back To Bein The Same Ol G  
Girl I Don't Wanna Lay Here Back To Back  
Oh I...  
Don't Want You Mad At Me  
Snatchin The Covers  
Actin Like You're Asleep  
When You Know You're Up, nooo  
Girl I Don't Wanna Lay Here, Back To Back
