

## Back Out

Chris Brown

Came here on a mission with one thing on my mind,  
Yeah I came here alone but I'm leavin here with a dime (shawty  
your a dime, your so fine)  
Ooh girl you got my full attention and its somethin bout you, g  
irl the way you wind it up  
Make me wanna get behind you so want you girl...

Girl the club about to close come over here,  
Right now I'm headed to my car and to the crib  
And baby we can leave pronto and go into my condo  
You gon black out tonight  
Blow yo back out (out out) (4x)  
Blow yo back out

Imma make sure that you feel me put your ankles where your hand  
s be,  
And I'm all up on you (all up on you) tryin to put you to bed  
Ima do it in my boots, your stilettos you can leave em' on,  
Ima dog, Ima dog gimmie a bone  
Act like we makin babies, sexin you soo crazy or don't forget b  
out before  
Play with me I promise I will make it go ooooo, when I'm lovin  
you its like I'm swimmin in a pool  
You know what it is, girl give me a kiss and I'm happy that you  
came thats a double meanin'  
Ima sleep sleep sleep your kittys like a lullaby I'm soo glad t  
hat I'm in that

Girl the club about to close come over here,  
Right now I'm headed to my car and to the crib.  
And baby we can leave pronto and go into my condo  
You gon black out tonight  
Blow yo back out (out out) (4x)  
Blow yo back out

Whats ya name? Whats ya aim? Hit me later on and maybe we can h  
ang  
You can call your girls, Ima call my boyss, I'm choosin em' ton  
ight and your my choice come on

Girl the club about to close come over here,  
Right now I'm headed to my car and to the crib  
And baby we can leave pronto and go into my condo  
You gon black out tonight  
Blow yo back out (out out) (4x)
