

## Back To Sleep (Remix 2)

Chris Brown

I just wanna rock you all night long  
Believe me when we both want your love  
I wanna get into you so deep I'm touching your soul  
No holding back, baby, let go  
I'm about to hit that, it's 'bout to make you climax  
All that you can get back to sleep soon  
Or you can take the day off so that I can stay off in it  
You can stretch up to the roof  
Let me dive deep in your mind  
Ain't got time, you're lost and I feel it  
I know you're ready for this sexual healing

Just let me rock, fuck you back to sleep, girl  
Oh, girl  
Don't say a word, no, don't you talk  
Don't stop it now, don't stop it now  
Just hold on tight to me, girl  
Fuck you back to sleep, girl, rock you back

Deep, babe, I know exactly how to treat you  
Fuck you like a poet, babe  
You're nasty and I know it, babe  
I'm talking mind sex, cause I'll fuck your mind first  
Then I fuck you crazy, you'll come every time, baby  
You know daddy's home, baby, you know that's right  
Spit on it, choke, grab on your throat, cum for me, beg for it  
Baby, I got that bomb dick  
Tell your sister and your mom that I don't beg  
Cause I fuck you like I hate you  
But I kiss you like I miss you  
Ooh, you got that jacuzzi and I got that Messi for you

Just let me rock, fuck you back to sleep girl  
Open up, open up, baby girl  
No, don't you talk  
Just hold on tight to me, girl  
Fuck you back to sleep, girl, rock you back

Baby, I know it's late, yeah  
I've been so frustrated  
Today's been a little bit hard on me  
And I just had to call and tell you I'm missing you  
Oh, all the things I'll do to you once I get in the room  
I hope you're in the mood  
Just leave the keys to the door the same place you left them before  
I'll be there around 4, you know what I came for  
Oh, baby, assume the position  
We 'bout to try every position  
Play your games, tomorrow you gon' have to redo them braids  
Cause I'mma sweat 'em out  
Baby, spread 'em out  
You know what to do with them legs and I know what to do with this head  
Cause you got all of the right features  
Baby, you're wet as the Caribbean beaches  
I wanna dive all in your sea  
Girl, let me fuck you back to sleep

Just let me rock, fuck you back to sleep girl  
Rock you with the D, girl  
Don't say a word, no, don't you talk  
Just hold on tight to me, girl  
I'll fuck you back to sleep, girl, and rock you back

Ain't sorry that I woke ya  
Ain't sorry, 'bout to fuck  
Fuck you back to sleep, girl  
Go to sleep in the morning so I can get a little bit more of your love  
And rock you back  
Ain't sorry that I woke ya  
Ain't sorry, 'bout to fuck  
Fuck you back to sleep, girl  
Call sick in the morning so I can get a little bit more of your love
