

# Bad

Chris Brown

She bad, like a student in detention  
Walk inside the club and my chain just glistenin  
Soulja Boy Tell 'Em yeah I got Chris wit me  
I bet I drank the bottle 'til that bitch empty  
Gucci belt plus Louis when I hop up out my phantom  
Turn my swag on, all the girls think I'm handsome  
I maybe in my lambo or my jet, it doesn't matter  
she bad, she bad, she bad, but she's badder

She lookin at me, I'm thinkin that she, that she bad than a mother  
She staring at me, i'm thinkin that she, she a fine mothersucka  
She a fine mothersucka, and I think I love her  
Ooh I think she likes me, I'll keep her through the summer  
Ride me like a wave, have you screamin cawabunga  
Bubble bootylicious, make a nigga wanna pop her  
Let me know just how you want it (oh oh oh oh)  
Watch how quick i get up on it (oh oh oh oh)  
Once I get up on yo body (oh oh oh oh)  
Shawty I'ma keep it rockin

Shawty, she bad, she cute, she sexy too  
Shawty she bad, she cute, she sexy too  
Shawty she bad, she cute, she sexy too  
But she never been with a dude like me who do it like I do

She lookin at me, I'm thinking that she, that she bad than a mother  
That juicy booty, got me thinkin, that's she the daughter of a trucker  
She's the daughter of a trucker, booty like a mac truck  
Pull up to her bumper, love the way she back it up  
Say I got alot of talk, shawty I can back it up  
When I put it on her, shawty just can't get enough  
Let me know just how you want it (oh oh oh oh)  
Watch how quick I get up on it (oh oh oh oh)  
Once I get up on your body (oh oh oh oh)  
Shawty I'ma keep it rockin

Man she so beautiful, she so super straight  
In the club gettin dollars, yeah she gettin paid  
She bad, she bad, she badder  
Hop up in my jag my jag my jaguar  
Pull up in my jag with the ice cream paint  
I need a \$150,000 just to watch me blink  
Baby girl fine and her outfit paint  
Let's leave this club, heavy to my place  
I'm like man she so beautiful, she so super straight  
In the club gettin dollars, yeah she gettin paid  
She bad, she bad, she badder  
Hop up in my jag may jag my jaguar
