

Closure

Chris Brown

Ah-ah-ah
Ah-ah-ah
Ah-ah-ah
Ah-ah-ah

Watchin', know you watchin'
See, I might be all alone
That's the thing you said before you sayin' it was destined (Destined)
Can't nobody take control, have to let it ride
I been on this before anyone had an opinion
Didn't have to go to anybody, believed in my vision

Call for days, live the worst
Let's stare into passion
Do what I always wanted
Holdin' me down, motivated, baby

Fuck your closure (Oh-woah)
Oh, I don't need (I don't need)
I don't need, I don't need closure (No), oh
I don't need (I don't need), I don't need-
Yeah-yeah, yeah-yeah, yeah-yeah
You really think that I need, I need your closure
Yeah-yeah, yeah-yeah, yeah-yeah (Oh)

Funny how it be the ones who hatin' (Hatin')
Same ones who say that you would make it
Always gon' find somethin' to be mad at
I ain't got shit to prove to you, no
Why you jaded?
Probably wanna see me fall, are you hatin'?
Gettin' better by the week, what you doin'?
Don't try to compete, you'll go crazy, crazy, oh

Call for days, live the worst
Let's stare into passion
Doin' what I always wanted
Holdin' me down, motivated, baby (Yeah)

Fuck your closure (Oh-woah)
Oh, I don't need (I don't need)
I don't need, I don't need closure (No), oh
I don't need (I don't need), I don't need-
Yeah-yeah, yeah-yeah, yeah-yeah
You really think that I need, I need your closure
Yeah-yeah, yeah-yeah, yeah-yeah (Oh, oh)
Yeah-yeah

The fuck we doin' makin' moves, baby (Moves, baby)
Know that I never been a number two, baby (Yeah)
You know exactly how it's done
We gon' make it somehow (Oh-woah)
You fuck with Breezy, you can't lose, baby
Please don't lash out so we don't end up on the news, baby
Relax and clear my head, let's smoke this motherfuckin' loud
I'm tryna stay away from the hate

Fuck your closure (Oh-woah)
Oh, I don't need (I don't need)
I don't need, I don't need closure (No), oh
I don't need (I don't need), I don't need-
Yeah-yeah, yeah-yeah, yeah-yeah
You really think that I need, I need your closure
Yeah-yeah, yeah-yeah, yeah-yeah (I don't need you)
Hey!

Ah-ah-ah
