Congratulations (Ayy, ayy, ayy)  
It's the first day of your life (Ayy)  
Oh no, oh no (Ayy, ayy)  
I feel it in my heart  
I feel it in my soul  
The time is getting near  
Just tell me when to go  
Here I go  
I'm packing up my bags  
I'm headed out the door  
I'm never looking back (Ayy)  
Yeah, yeah (Ayy, ayy)  
I'm never looking back  
This a celebration ('Bration)  
This a celebration

So say goodbye to yesterday  
The future's in front of you  
Uh-huh, uh-huh  
Oh yeah  
There's no time to waste  
Gon' get your money (Hey)  
Go 'head and ball it up now (Hey)  
Congratulations, you are ready for the rest of your life  
The rest of your life (Hey)  
The rest of your life  
The rest of your life (Hey)

I've forgotten 'bout my past life  
'Cause now I live the fast life  
Pretty brain with a ass right  
Shinin' like a flashlight  
Plus I got my cash right  
White girl but my tan nice  
Bali, go from very nice  
So damn hot, I can't lie  
Highest level penthouse  
Used to feel left out  
Now I'm with the best crowd  
Rockin' here with Chris Brown  
Everybody get loud  
You know how we get down  
Haters need to sit down  
Never gonna quit now  
Here to make a statement  
Just face it  
While I take over  
Flyer than a spaceship  
Poppin' like a toaster (Oh)  
Pretty little face with curves like a rollercoaster (Oh)  
Celebrate it

So say goodbye to yesterday  
The future's in front of you  
Uh-huh, uh-huh

Oh yeah  
There's no time to waste
