

Dear God

Chris Brown

The starship is falling
No communication, no one's calling
Only if I'd known this knowledge
I'd spread my wings and fly right over you

She get to lookin' like she been waiting for me
Contemplating, a thousand days of war
She ready for me to pay for it
Love no more, love not war
I've been tourin' back and forth
If you hear a heartbeat, it's yours
It ain't mine, I don't feel alive

So beam me up and let me meet my maker
So many questions I need answers to, the wake up
Can you tell me 'bout love?
Sit me down
All these other people don't have a clue (Nah, they don't know about)
Can you help me up, me up?
God, would you please take a second and hear me out?
Oh please, if I scream and shout, is it loud enough?
Enough for heaven to hear me?
Oh God, dear God (enough for heaven to hear me?)

Software is crashing, oh no
I can't take too much more of this
S.O.S. and no one's coming
I'm hoping God can solve my problems (Help me)
She still won't even look at me, she just keep on walking (Why?)

She get to lookin' like she been waiting for me
Contemplating, a thousand days of war
She ready for me to pay for it
Love no more, love not war
I've been tourin' back and forth
If you hear a heartbeat, it's yours
It ain't mine, I don't feel alive

So beam me up and let me meet my maker
So many questions I need answers to, the wake up
Can you tell me 'bout love?
Sit me down
All these other people don't have a clue (Nah, they don't know about)
Can you help me up, me up?
God, would you please take a second and hear me out?
Oh please, if I scream and shout, is it loud enough?
Enough for heaven to hear me?
Oh God, dear God (enough for heaven to hear me?)

If you grant me this wish, one wish, this wish, lord I promise
I'll never ask for anything else
'Cause I can't do it by myself
It's too hard
I can't play God, this' your job
I'm just a simple man who needs his heart repaired
In purgatory, but not if she's there
I know I'm askin' for a lot but

Tryna break these chains I'm locked from
I no longer be scared
If you're really up there

So beam me up and let me meet my maker
So many questions I need answers to, the wake up
Can you tell me 'bout love?
Sit me down
All these other people don't have a clue (Nah, they don't know about)
Can you help me up, me up?
God, would you please take a second and hear me out?
Oh please, if I scream and shout, is it loud enough?
Enough for heaven to hear me?
Oh God, dear God (enough for heaven to hear me?)
