

Do It Again

Chris Brown

The memories we shared
Could last a man a lifetime
It's like truth or dare,
When you're there.
And I'll admit that I'm scared
To lose you to another guy-uy-uy
But it's up to you to decide
Who to love.

Tonight I'm a break my promise,
I know I said
I'll set you free
But baby you told me to be honest,
Girl I need you here with me
So we can do it again
Do it again
Do it again
Do it again

A whole life time
Would not be enough
Cause I wanna love you baby
Over and over
And girl each time I
See you shed a tear
I wanna wipe 'em all up
With my kisses
And make you smile from ear to ear.

Tonight I'm a break my promise,
I know I said
I'll set you free
But baby you told me to be honest,
Girl I need you here with me
So we can do it again
Do it again
Do it again
Do it again
Do it again
Do it agin

Girl what are you running from?
I'm willing just to give you everything you want
Girl you are always number one,
I'm saying 'cause I know you're more than wonderful
And my heart & your heart are as one,
And this love will never change
You
And me forever
Woah oh (6x)
So we can do it again
Do it again
Do it again
Do it again
Woah oh (6x)
