This one diamond in a rough  
Big plans, I can't fuck it up

I'm too proud to admit it right now (Yeah)  
Just know when I see  
Money and trees, that's a whole lot of green, no (Woo!)

I know that I spend so much time  
All on these drugs and chicks  
Tryna make 'em my wife (Ooh)  
Gonna put my birthstone on your ring finger tonight  
No matter who I'm with when it's you on my mind (Ooh)

All on these drugs and chicks
