Chris Brown

Yeah, love

You don't know how I feel  
Since you've been gone  
Easy fall, I should've let go  
'Cause everybody knows about you

Everybody know about you (everybody know about you)  
Everybody know about you (everybody know about you)  
Everybody know about you (everybody know about you)  
And they shouldn't fucking know about you

You ain't used to know about nothing (oh no)

Before me, you wasn't important (important)  
Now you actin' like you earned it (earned it)  
Go and smile for the camera (camera)  
I hope that all this shit was worth it (worth it)  
I hope that all this shit was worth it, yeah

You don't know how I feel (you don't know)  
Since you've been gone (you've been gone)

Walking away, it ain't easy (ain't easy)  
Leaving you is like leaving my music (my music)  
Your homegirl's in my business (in my business)  
They're the same ones liking my pictures (my pictures)  
Telling you to leave, you can do better (better)  
But they ain't got no niggas

Put you in the crib, that wasn't enough (wasn't enough)  
Let you hit the mall and run that shit up (run that shit up)  
I'm the first one to put you in a foreign (foreign)  
Before me, you wasn't important (important)  
Now you actin' like you earned it (earned it)  
Go and smile for the camera (camera)  
I hope that all this shit was worth it (worth it)  
I hope that all this shit was worth it, yeah
