

Girlfriend

Chris Brown

(L.U.P and C.B)

We gon do what we say,
see us when see that again, call us instant replay (2x)
cop a coupe and then recoup, we call it instant replay
say hello to your goodbyes, we continue to heat wave, Chris!

VA to Chicago in a Murcielago, pretty lil model, model, model
Follow me where I go, it look like a slide show,
it look like a slide show, follow me where I go
My chain look like a car show, her body like a bottle
Pretty lil model, model, model
That's why this dude is trippin
Steady investigating, being a situation (waitin', hatin')

I Don't want your girlfriend (No!) (4x)
But she like
la la la la la (4x)
I Don't want your girlfriend (No!) (4x)
She in my
la la la la la (4x)

Damn your girl be drankin', while she steady sippin
I see she got that feelin (rollin on the ceilin?)
I guess thats what he mad for, coz you weren't what he ask for, what he hell
a mad for, mad for, mad for

Her chain look like car show, her body like a bottle
Pretty lil model, model, model, that's why this dude is trippin
Steady investigating
Being a situation (waitin, hatin')

I Don't want your girlfriend (No!) (4x)
But she like
la la la la la (4x)
I Don't want your girlfriend (No!) (4x)
She in my
la la la la la (4x)

Chi town down to VA, step walk out them PJ's
Pockets smell like feme's so I fed them cheesecake
She wanna know how these taste, she gave me the please face
I gave her the leave face, she know what I think like Gene Grey
Stepped on in so cleanly, mastermind in yeezy
Your diamonds ain't got no class, we call them Dr. King Day
Our watches got them scholarships, with knowledge that
She fine yo, but we don't want your baby girl, we will take
Your shine though.

I don't want your girlfriend (4x)
But she like la la la la la (Yeah) (4x)
I don't want your girlfriend (4x)
She in my la la la la la (4x)

Don't want your girl (4x)
But she singing just like...
