

# Give It Away

Chris Brown

What?

So what you trying to say (what you trying to say?)

Stop playing

You know that's mine!

THAT'S MY PUSSY

Baby why you keep doing shit

You running from me

But you know you gon' get it

I'm going to teach you how to love me

I want you to be bad right now

I want you to fuck me yeah

With your sexy ass

I'm make that devil on to me

I'm gonna get it all (I'm gonna get it get it)

Your body's calling let me break you off

Kinky just play along with it

Baby I'm right here

You know that belongs to me

So put it right here

Girl

Don't make me have to tell you again

That's my pussy baby

You better not give it away-way-way-way-way

Don't make me have to tell you again

That's my pussy baby

It's mine girl, it's mine girl, it's mine girl

So you better not give it away (way-a-way-a)

Said you better not better not (way-a-way-a) give it away

Better not better not (way-a-way-a)

You better not better not (way-a-way-a) give it away

Said you better not give it away

Girl I'm fucked up off that good

Bitch I know you see me calling

I'm blowing up your phone

Trying to fuck you till the morning

Kitty got me crying tears

I go longer while I'm on it that shit

Let me bring it here

I'mma lick it just how you want it

You got me paying all your bills

Fuck around and take care of your kids

Remember when you put that thang on me

Hit it from the back and I give you chills

All I want is that pussy

Girl let me get it

You know I-I own that cookie

You love it (you love it)

Don't make me have to tell you again

That's my pussy baby

You better not give it away-way-way-way-way

Don't make me have to tell you again

That's my pussy baby

It's mine girl, it's mine girl, it's mine girl

So you better not give it away (way-a-way-a)  
Said you better not better not (way-a-way-a) give it away  
Better not better not (way-a-way-a)  
You better not better not (way-a-way-a) give it away  
Said you better not give it away
