# Harder

**Chris Brown**

We done had a lot of sips from this bottle
2 A.M. came 'round a lil' faster than we thought
Don't you try to go and leave, girl, now don't ya
And since I got you here, might as well do some explorin'

Don't be shy, you know you want this
And I'ma give it how you like
There's so much we can do, girl, it's only you
Clothes makin' a trail leadin' to the room
I'ma make you a believer

Don't you tap out
Girl, don't you run from me
I'm 'bout to go harder in your love, oh-oh
I'm gon' fill you up
Girl, 'til you overflowin'
I'm 'bout to go harder in your love, ooh

Relax and open up the door (Open up the door)
Let your inhibitions fall now, now (Inhibitions fall now, now)
Overtime like this a sport
And you know I'ma winner, so you know I'ma finish (Yeah-yeah)
Ooh, yeah (Ooh, yeah)
You and me just feels so right
We're makin' moments to create
No lie

Don't be shy, you know you want this
And I'm gon' give it how you like
There's so much we can do, girl, it's only you
Clothes makin' a trail leadin' to the room
Make you a believer, baby

Don't you tap out
Girl, don't you run from me (No)
I'm 'bout to go harder in your love, oh-oh (Can you hear me?)
I'm gon' fill you up (Fill you)
Girl, 'til you overflowin' (Overflowin')
I'm 'bout to go harder in your love (Yeah), ooh

I bet you never felt a feelin'
Like this before (Like this before), oh (Oh)
Levitatin' from the ceilin', baby
Beat it up 'til you can't take no more (Oh)

Don't you tap out (Baby, oh)
Girl, don't you run from me
I'm 'bout to go harder in your love, oh-oh
I'm gon' fill you up
Until you leakin', baby
I'm 'bout to go harder in your love
