She was sneakin' through the back door  
She came to see me in the bando  
100 on the chain, 30 on the watch  
She wanna dope boy that'll take her to the top

She wanna get fucked by a young nigga in the night time  
She gon' let me lick the booty when the lights down  
Baby you need to fuck with a real nigga

Have you ever been fucked by a thug nigga?  
Late night on the block, bustin' juggs Zoo Gang full of drug dealers

When I pull up to the club, see the hostess in the car, wassup, I'mma trail

Hit the plug up, thinkin' I in heavy  
Zip the drugs up, bitch I'm in traffic  
'Bout to lit 'em up now and I don't give a fuck now  
You can tell me where the drugs now  
You ain't gotta stunt now, Zoo Gang do drugs now  
Memories what it was now, I just let the guns now  
Man I swear she got me bogged down  
We be fuckin' on the rug now

She wanna get fucked by a young nigga in the night time  
She gon' let me lick the booty when the lights down

Fuck around and drop a bomb in that pussy  
I pour a bowl in that cream soda  
I got a section full of hoes, bring the team over  
I see the look in the hoe face  
I see you takin' the molly, wantin' the whole thing  
Yeah, white girls on that cocaine

We be smokin' California, call it propane  
Lamborghinis and Ferraris when we switch lanes  
And your bitch call me karate, how I kick game  
Know I got my nick name from my dick game  
I'mma take your girl, fuckin' up a good thing  
They gon' hate on me  
Yeah cause they girl gon' leave  
She gon' ride it for me  
Ain't no love, she just wanna get fucked

She wanna get fucked by a young nigga in the night time  
She gon' let me lick the booty when the lights down  
Baby you need to fuck with a real nigga  
Stop wasting your time with them fuck niggas  
Yeah baby, if you let me lick it, I'mma kiss it, I'mma stick it  
All in like, yeah baby, woah, yeah baby
