

How Low Can You Go

Chris Brown

Hey shawty lil mama come here are you tryna take a ride wit me
Twerk somethin' shake a lil bit shake a lil bit bit for me
Stop frontin' cuz you know you really want this
So when I get up on you doe you gotta show (how low can you go)
No need for the games and teasin'
Come up out them vicky secrets
If I lick on ya neck down down to your belly button girl would
you let me see it
Oh oh if I give it to you will you throw it back
Everytime I hit it hit it from the back
I wanna pull ur hair but I know they tracks

Nice and slow one on one
You on all fours girl that's all I want
So shake somethin somethin shake somethin somethin for me (2x)

How low can you go (8x)
Go low l-lower than you know (3x)
Lower than you know l-lower than you know

Got her on deck for the weekend
She black and puerto rican
Got a friend who's persian
But both of them be freakin'
But when I'm all up in it
I don't I don't know what they be speakin
Even though they speakin english I can't tell through all the s
creamin
Like yeah!
And all I see is booty everywhere
Cuz shawty got an ass from here to there yeah
Ill supply the pole and you jus drop it low

Excuse me big booty judy
My doors go up on my car so hop up in my 2 seat
No your not a groupie
Go ahead seduce me
Drop it low bring it down girl let's make a movie
Breezy
