

# I'll Be Right Here

Chris Brown

I hope you notice how I feel  
Girl, I ain't running game...  
But there's a couple things I like, I try to explain  
You say you wanna wait a while  
Girl, I ain't mad at you  
In fact I like your style  
Cause it's more than just a physical attraction that I'm feeling  
It's real, ooooooh, and baby here's the deal

I'll be right here  
Tell the sun and the moon and the stars they all refuse to shine  
(I'll be right here)  
I wanna be the thoughts that you think, whatever is on your mind  
(I'll be right here)  
Girl i wanna be apart of you, just like the air you breathe  
And you can count on me!

You don't have to be afraid to say what's on your mind  
Your body language's tellin me, let's take our time  
You say you wanna wait a while  
Girl, I ain't mad at you  
In fact I like your style  
Cause it's more than just a physical attraction that I'm feeling  
It's real, ooooooh, and baby here's the deal

I'll be right here  
Tell the sun and the moon and the stars they all refuse to shine  
(I'll be right here)  
I wanna be the thoughts that you think, whatever is on your mind  
(I'll be right here)  
Girl i wanna be apart of you, just like the air you breathe  
And you can count on me! yeeeeah

Don't you doubt our love (don't you doubt our love)  
Your the only one  
(Your the only one I'm thinking of) Yeahh yeahh whooaa  
Yeah yeah yeah yeah  
Baby, yeah yeah yeah yeahh  
Girl, yeah yeah yeaa yeeeeah  
Uh,  
Oh Nooo  
Oh no no no no no  
Ain't going no where  
Baby

I'll be right here  
Uhh hun  
Ain't going no where  
Babyyy  
(I'll be right here)  
Tell the sun and the moon and the stars they all refuse to shine  
(I'll be right here)  
I wanna be the thoughts that you think, whatever is on your mind!  
(I'll be right here)  
Girl I wanna be apart of you, just like the air you breathe  
And yooou can count on me Baby  
I'll be right here, I'll be right here

(I'll be right here)  
(I'll be right here)  
(I'll be right here)
