

I'll Go

Chris Brown

There's a star in the palm of my hand and I think it yours
if You don't want it then I'll understand
You deserve much more
When I brought it down from the sky, you almost forgot it
It was new back when you gave a damn
What you need, I'll go and get it

But if I don't come back
Girl, your love was worth it
That's the one thing I'll know
And if I don't make it back
Girl, remember that
That I said I'd go, baby

Girl your love is so hard
But it takes me so far
But I don't care, I'll go
No
If I don't make it home
At least now you know
Girl for you, I'll go

Got my heart in the palm of your hand
Now you're good, that's yours
If you don't want it I won't understand
Cause I came so far
When you tossed it
Took forever to find the place where you lost it
Now you're gone with my heart out the door
Home is here girl don't forget it.

But if you don't come back
Girl this love was worth it
That's the one thing I know
If you don't make it back
Girl remember that
That I said I'll go for you

Girl your love is so hard
And it takes me so far
But I don't care, I'll go
Nooo
If I do make it home
But at least now you know, I'll go
